Ruin for reconstruction in the College (Lagos)

Ruin in Lagos (College).

It ruins with two urban articles, with the possibility of reconstruction.

Before 1951, this ruin has no sewage or water, the closest connection to the water is approximately 2Km , at the level of sewers, can make a skeptical fossa.

With a lot of potential, both for Own Housing or for profitability.

NOTE: It has the possibility of Connecting to the neighbor hole , something much used in the Locale , but only temporarily .. It all depends on agreements made with the neighbors.
