Townhouse in Ruin in Odiáxere

Townhouse in ruins, with a floor area of 75m².

Walls in rammed earth, but already connected to mains water and sewage system.

Prior to 1951, this villa has a huge potential, either for the creation of two small dwellings with 1st floor, or simply a good single storey house.

It needs some work, new roof and a new make up, but with huge potential.

Well located in the central area of Odiáxere, and just 10 minutes from the city of Lagos and its services.
