Agricultural land with well

Land for agriculture with well.

Fantastic agricultural land situated south of the N125 between Vale de Boi and Budens with just over 1 ha.

Quiet area, the land is a flat and very fertile part, with the well at the end of the property on the flat part and a part that goes up to the top of a hill, with fantastic views.

Despite the drought we are experiencing, the well still has water.

Maybe this is the property of your dreams, very close to the beach, and a 15-minute drive from the city of Lagos.
